TOURNAMENT RULES

ELIGIBILITY

Anglers may fish this tournament as individuals, including fishing from PWC or Kayaks as long as they have VHF communications with Club on VHF Channel 03 & 05. The team captain must enter and participate in the tournament. Each team member must be a current financial member of the Tauranga Sport Fishing Club (Inc.) or a club affiliated to the New Zealand Sport Fishing Council. If visiting anglers cannot produce current membership cards, their membership will be checked through the secretary of their club. Failure to be a financial member of an affiliated club will result in disqualification from the contest. Team Captains are responsible for this. Day membership to the Tauranga Sport Fishing Club (Inc.) of \$20 per day will be accepted.

PRIORITY ENTRY

A team may stand down for one year so long as they inform the One Base Committee in writing. A team that stands down two years in a row or fails to inform the One Base Committee in writing of their wish to stand down will be out the following year. A team cannot pay for an entry to retain their position for the following year. If a team captain is standing down, they cannot fish on another boat for that One Base unless they are willing to give up their Priority Entry. The priority entry rights belong solely to the team captain and not the boat. The team captains' entry is non-transferable. Team numbers and angler numbers are assigned in order of payment made to the club. An angler is not considered entered into the One Base until payment is received.

WAITLIST

Teams who fish the 2024 One Base have first right of entry into the 2025 One Base. In some instances new teams from the waitlist, are offered a provisional 'stand in' position replacing teams on a one year 'stand down'. After this time they will retain their position on the waiting list or gain priority entry. Priority of entry off the waitlist is firstly to teams that had a stand down for the previous year, then teams who were a stand in for the previous year and finally teams who have put themselves forward to the waitlist, all in order of date the One Base committee was informed. From 1 Feb 2025 remaining available entries will be offered firstly to those entrants on the waiting list and then on a first come first serve basis until the limit of 140 teams is reached.

A starter pack will be issued to each team. Registration opens at **1300hrs** (1pm) on **Tuesday 25th February 2025** and is located in the TSFC Clubrooms. At any time during the tournament if an angler wishes to change teams they must seek the approval of the Tournament Convenor.

CUT-OFF TIMES

Early Bird: Only entries fully paid by midnight on **November 28th November 2024** are eligible for the early bird prize draw which will be drawn on briefing night.

Final Changes: Teams must be finalised and paid by close of business 22nd Feb 2025. After this time there will be no refunds.

BRIEFING

Attendance at the briefing is compulsory for the team captain or their representative. Briefing will be held in the Club and commences at **1830hrs** (6:30pm) on **Tuesday, 25th February 2025**. Please **check-in** with the One Base Reception staff in the Club on Tuesday between 1700 – 1830hrs (5pm – 6:30pm), who will record your attendance.

RANDOM ACCESS RULE

For the purpose of small craft safety, boats are able to be launched from other ramps and depart from other ports inside Chart 54 modified (sponsors grid) for the duration of the event. Teams choosing to utilise this rule must 'check in' with the boat and entire team present at the TSFC on Wednesday 26th February 2025 between 0630hrs and 0730hrs. These teams may depart the TSFC no earlier than 0730hrs (start time).

Where boats (trailer or launches) permanently reside outside of the Tauranga area, dispensation can be applied for to the Committee to leave boats in their home port. This must be done before **23rd Feb 2025**. In these cases the team is still required to 'check in' as above.

No boat in the tournament may depart Tauranga before 0730hrs (7:30am) on Wednesday 26th February and may then fish continuously until 1500hrs (3pm) on Saturday 1st March 2025.

LET'S CLEAN UP OUR BACKYARD!

17th MAY 2025

Our Backyard Trust, Stoney Creek and an army of local businesses, organisations and volunteers are proud to bring back the OBt Coastal Clean Up Project on the 17th May 2025. With the support of our proud communities, we continue to keep doing our bit to protect our own backyard. All with the purpose of improving our waterways, marine and wildlife and on-going protection of our valuable natural resources, for future generations to come. This includes continuing to host this clean up event and a wider vision towards influencing others to get involved and help grow this to a much bigger and wider nationwide event some day.

COASTAL CLEAN UP PROJECT BIGGER AND BETTER?**
